CALL FOR PAPERS

INVITED SESSION: Cross-Disciplinary Approaches and Applications

The aim of this session is to provide a common platform for researchers to present theoretical and applied research findings for enhancing and developing the scientific disciplines. This field integrates aspects from multiple academic disciplines, therefore addressing any problems that may arise from narrow concentration within specialized fields of study and other related fields, along with their applicability. Contributions containing new insights and findings in this field are welcome.

IMPORTANT DATES:

Due Date of Full Paper: [31 June, 2018](#)

Date of Notification: [31 July, 2018](#)

Due Date of Camera-ready Paper: [15 August, 2018](#)

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular invited session and related areas of applications. All contributions should be original and unpublished elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are also welcome.

IIH-MSP2018 conference proceedings will be published in the book series entitled “Smart Innovation, Systems and Technologies.” Normally, papers published in this book series are **indexed by EI-Compendex, SCOPUS, Google Scholar and Springerlink** when the paper quality fits the requirement and the publishing procedures (including the oral presentation) are completed. The paper length is 6-8 pages for the regular paper. Each paper is allowed to have maximum 2 extra pages with raising USD 100 registration fee per extra page. All papers must be submitted electronically in PDF format only. Details of the required paper format are available at the official IIH-MSP2018 website (<https://iihmsp2018.github.io/>). For further information, please contact the session organizers given below.
