

The 14th International Conference on Intelligent Information Hiding and Multimedia Signal Processing (IIHMSP 2018)

November 26-28, 2018 Sendai, Japan

<https://iihmSP2018.github.io/>

CALL FOR PAPERS

INVITED SESSION: **Emerging Trends in Multimedia Systems and Applications**

This invited session will focus on the discussion of recent advances in multimedia systems and applications. The session provides an international forum for researchers from relevant fields to share their experience and explore future research directions. Papers are solicited in (but not limited to) the following areas: multimedia networking, multimedia big data analytics, deep learning for multimedia, image/video content analytics, 3D multimedia and AR/VR, multimedia coding and processing, social and cloud-based multimedia, computational imaging, multimedia security and forensics.

Full Paper Due Date: July 25, 2018

Acceptance Notification: Aug 5, 2018

Camera-ready Paper Deadline: August 15, 2018

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this invited session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Papers in the invitation session will be included in the IIHMSP 2018 conference proceedings, which will be published in the Springer book series "Smart Innovation, Systems and Technologies" (EI). All submissions should be no less than 6 pages and the maximum is 8 pages. The papers should be prepared according to [Springer's computer science proceedings guideline](#). You can also find the paper templates for [LaTeX2e](#), [Microsoft Word \(newer format, docx\)](#) and [Microsoft Word \(older format, doc\)](#). The paper should be no less than six pages. Before preparing the paper, please take a look at the [Guidelines for proceedings authors](#).

Prospective authors are encouraged to firstly contact the session organizer to discuss paper allocations, and **papers should be submitted directly to the session organizer Dr. Ivan Lee ([ivan.lee@unisa.edu.au](mailto:ivan.lee@unisa.edu.au))**.

INVITED SESSION ORGANIZER:

Dr. Ivan Lee ([ivan.lee@unisa.edu.au](mailto:ivan.lee@unisa.edu.au)), University of South Australia, Australia
